PROFESSIONAL EXPERIENCE

Operation Assistant, Northwestern University – Chicago, US

Jan 2026 - Now

- Supported faculty members and visiting artists by coordinating performance logistics, managing communications, and resolving operational issues, contributing to stakeholder satisfaction and successful delivery of departmental events.
- Processed reimbursements, vendor payments, and guest artist compensation, ensuring accuracy, compliance with university policies, and timely transaction completion for departmental operations.

Luxury Travel Advisor Externship, Northwestern University Placement Program – Chicago, US

Feb 2026

- Shadowed a professional luxury travel advisor, gaining end-to-end exposure to client consultation, itinerary development, supplier coordination, and familiarity with the GDS platform Sabre.
- Observed booking workflows, vendor relationships, and service standards required for premium travel delivery.
- Developed understanding of luxury positioning, expectation management, and client communication tone.

Marketing Specialist Intern (North America Focus), BlueFocus – Shanghai, China

July - Sep 2024

- Designed and executed international marketing campaigns targeting North American audiences, strengthening cross-cultural communication skills.
- Conducted campaign optimization and client relationship management.
- Collaborated with global teams to localize brand messaging for diverse markets.
- Developed strategic thinking around consumer preferences and decision-making behavior.

Market Strategy Consultant, Ipsos – Shanghai, China

July - Sept 2023

- Led multiple market research and strategy consulting projects across technology, manufacturing, and retail sectors, independently managing project timelines, research design, and deliverable development.
- Conducted primary research through expert interviews with industry professionals and business stakeholders, while performing secondary research on market trends, competitors, and industry developments to generate actionable insights.
- Synthesized qualitative and quantitative findings into client-facing reports and strategic recommendations, supporting market expansion initiatives, partnership opportunities, brand positioning, and business decision-making.

Exhibition Curator Assistant, Leighton and Sambourne – London, UK

Jan - April 2022

- Led guided tours for diverse domestic and international visitors, delivering engaging cultural storytelling and enhancing visitor experience at two historic London museums.
- Supported the planning and installation of special exhibitions, coordinating exhibit preparation and visitor-facing materials to ensure a high-quality guest experience.
